Bob Malmquist

Bob Malmquist
President

Located in Atlanta, Bob is President of Competent Staffing Resource, Inc. and serves on the board of directors of both Competent Staffing Resource, Inc. and CSR Technologies, Inc.

Bob is one of the three principles who established CSR in 1996. Recognizing the need for uniqueness in the contract services industry, Bob developed priorities, strategic goals, mission statement and policies for the flat organization.

Bob is responsible for strategic planning, customer diversity, company procedures, and legal issues. He handles the daily business functions of CSR including obtaining master contract agreements with members of our customer base.

Bob's career with Bell System spans 30 years in the Ameritech area. His background includes engineering, fiber technology, central office switching, toll transmission, power generation, outside plant, and test and control centers.
