Ron Hoff

Ron Hoff
Vice President

Ron's career spans more than 30 years in the Bell System, including more than 26 years in management positions. He transferred to Bell South after serving eight years with New Jersey Bell. His assignments covered switched and special services, new office installations, as well as the establishment of new centers. Staff and executive support assignments provided experience in process design and improvement as well as new product development and introduction.

Working in our Birmingham, Alabama office, Ron is Vice President of Competent Staffing Resource, Inc. and serves on the board of directors of CSR Technologies, Inc. He was one of the three principles to establish CSR in 1996. Recognizing the need for contract services in the telecommunications industry, he helped develop the operational plans for the company. He is responsible for product diversity and strategic planning, and continues to handle basic daily business functions of CSR; and was successful in obtaining long-term financial support for both CSR and CSRT.
