"I can say without a doubt that I am very happy that CSR is my Vendor. CSR pays on time and any additional expenses incurred are also paid as promptly. The caliber of Contractors that are employed by CSR is much higher "quality" than what I am seeing the other Vendors supply." - Linda L.

"I consider myself fortunate to have this opportunity to work through CSR....I have enjoyed prior contract opportunities with CSR for BellSouth and now this one for ATT. CSR came highly recommended by a former BellSouth employee who worked for CSR performing post retirement contract work. His respected recommendation has been validated repeatedly by the respect and encouragement provided by the CSR staff." - Bob H.

"I have been employed through Competent Staffing Resources for four (4) years. I submitted my resume...and in approximately one week, I received two job offers. The Staff, I find to be very professional, supportive and affable at all times. They are willing to assist with all of your contractor employment questions and needs. For the past four years I have enjoyed my time with the CSR organization." - Margaret B.

"I've enjoyed working with the CSR Staffing team and AT&T over the last couple of months, and I really appreciate the speed and professional manner you conduct your application, registration and payroll processes." - Roland D.
